Dear Prospective Sponsor,

It's time once again to join the SBA as we collectively support one of our most important causes—one that continues to make a meaningful difference in the lives of families who have lost a loved one.

The SBA Widows & Children's Golf Outing will be taking place on Wednesday, May 20, 2026, at Pelham Bay & Split Rock Golf Course and we cordially invite you to attend and lend your support.

As you know, the outing supports the SBA Widows & Children's Fund, established in the aftermath of the September 11, 2001 terrorist attacks, when several active NYPD Sergeants lost their lives.

Since that time, the Fund has reflected a core responsibility of our organization: standing by the families of our members not only at the time of loss, but in the years that follow.

Today, the Fund provides SBA health benefits to the widows and children of active SBA members, and to families of Lifetime Members.

The Fund also maintains a strong relationship with surviving families and supports commemorative events, including an annual holiday gathering for children, helping families remain supported and connected.

It also engages in advocacy related to line-of-duty deaths through communication with elected officials, the media, and the Parole Board.

The annual golf outing is one of the Fund's primary fundraising efforts.

Your generous support helps sustain these programs and allows the Fund to continue meeting its commitments to the families it serves.

Additional information about the outing and available sponsorship opportunities is attached to this letter.

The SBA Widows & Children's Fund is a registered 501(c)(3) nonprofit organization.

Contributions are tax-deductible to the extent permitted by law.
EIN: 13-4197047

Thank you for your time and consideration. I would be honored to have your support. It reflects a shared commitment to service and to the families of those who gave their lives protecting New York City.

Warm regards,
