— Our Commitment to SBA Families —

Established in the aftermath of the September 11, 2001 terrorist attacks—when NYPD Sergeants lost their lives—the SBA Widows & Children's Fund reflects a core responsibility of our organization.

The Fund stands by the families of our members not only at the time of loss, but in the years that follow. Today, it provides SBA health benefits to the widows and children of active members, as well as to families of lifetime members—ensuring continued support well beyond the moment of loss.

Join us for a day of golf, networking, and meaningful support of the SBA Widows & Children's Fund.
