Our Commitment to SBA Families

Established in the aftermath of the September 11, 2001 terrorist attacks—when NYPD Sergeants lost their lives—the SBA Widows & Children's Fund reflects a core responsibility of our organization.

The Fund stands by the families of our members not only at the time of loss, but in the years that follow. Today, it provides SBA health benefits to the widows and children of active SBA members, as well as to families of Lifetime Members—ensuring continued support well beyond the moment of loss.

We invite you to join us for a day of golf and networking in support of the SBA Widows & Children's Fund.
